Environmental Law and Energy Expert, Roger Martella, Joins ClearPath Advisory Board

Washington, DC – May 31, 2023 – ClearPath announced Roger Martella, GE's Chief Sustainability Officer, has joined its Advisory Board. Martella is currently Chief Sustainability Officer for GE, as well as the Head of Engagement, Government Affairs and Policy for GE Vernova.

Prior to GE, Roger co-led Sidley Austin LLP's global environmental law and climate change practices and also served as the U.S. Senate confirmed General Counsel of the Environmental Protection Agency in President George W. Bush's Administration.

"GE is one of the most innovative American companies and a leader in clean energy, and Roger is one of the most respected legal and sustainability experts in the country," **said ClearPath CEO Rich Powell**. "We are thrilled to add Roger to our Advisory Board."

"In an era of unprecedented action on electrification, energy security and climate change, ClearPath serves a critical, honest broker role in ensuring decision makers have the strongest understanding on the role of innovation and technology," **Martella said**. "I look forward to working with the staff and Advisory Board to support this mission."

ABOUT CLEARPATH

ClearPath's mission is to develop and advance policies that accelerate innovations to reduce and remove global energy emissions. To advance that mission, we develop cutting-edge policy solutions on clean energy and industrial innovation. An entrepreneurial, strategic nonprofit, ClearPath (501(c)(3)) collaborates with public and private sector stakeholders on innovations in nuclear energy, carbon capture, hydropower, natural gas, geothermal, energy storage, and heavy industry to enable private-sector deployment of critical technologies.
