## **ADVISORY: ClearPath to Spotlight Nuclear, Carbon Management at COP28**

*Events will feature U.S. Sen. Lisa Murkowski, Reps. Garret Graves, John Curtis, Tim Walberg, Scott Peters, private sector executives*

ClearPath has released its public schedule for COP28 along with three key themes they will be helping elevate at the United Nations Climate Change Conference, or Conference of the Parties (COP28), in Dubai from December 5-10.

- Advanced Nuclear is Poised for Global Deployment
- Carbon Management's Role in Addressing Climate Change
- Conservatives Taking Bold Solutions to COP28

ClearPath events at COP28 will feature **U.S. Sen. Lisa Murkowski (R-AK), U.S. Reps. Garret Graves (R-LA), Scott Peters (D-CA), John Curtis (R-UT), Tim Walberg (R-MI)**, ClearPath CEO Rich Powell, ClearPath Chief Strategy Officer Jeremy Harrell, as well as executives from Microsoft, Svante, and other energy companies and non-governmental organizations.

**If you are not attending COP28 in-person, please let me know and I would be happy to share the livestream link events happening in the Blue Zone at COP28.**

If you are interested in setting up an interview, please contact Luke Bolar ([bolar@clearpath.org](mailto:bolar@clearpath.org)) or via iMessage/WhatsApp at +1 202 355 3677.
