ClearPath's External Affairs team expands

Washington, DC – Friday, June 13, 2025 – ClearPath announced [Anthony DiGrado](#), former Director of Public Affairs at the Plastics Industry Association, has joined its team as a senior manager.

“Anthony’s marketing and public affairs experience in D.C. makes him a great fit to enable the external affairs team to further our efforts in reaching our audience and moving smart policy across the finish line,” said **Luke Bolar, Chief External Affairs Officer, ClearPath**. “Anthony interned for ClearPath at its start in D.C., and we are excited to have him back on the team.”

In his role, DiGrado will develop and execute digital advocacy and public affairs strategies that support the external affairs program and its continued stakeholder outreach.

Before joining ClearPath, DiGrado served as Director, Public Affairs at the Plastics Industry Association, overseeing digital communications and public affairs strategy. Prior, he worked at IMGE, a full-service digital agency, where he oversaw & implemented cutting-edge digital strategies for statewide political campaigns, Fortune 500 companies, and grassroots advocacy clients.

DiGrado earned his Bachelor's degree in Economics from the Catholic University of America.

ABOUT CLEARPATH

ClearPath's mission is to accelerate American innovation to reduce global energy emissions. To advance that mission, we develop cutting-edge policy solutions on clean energy and clean manufacturing innovation. An entrepreneurial, strategic nonprofit, ClearPath (501(c)(3)) collaborates with public and private sector stakeholders on innovations in nuclear energy, carbon capture, hydropower, natural gas, geothermal, energy storage, and clean manufacturing to enable private-sector deployment of critical technologies.
